“ Dear Sylvia, (Snookie)

Thank you for being the loving big sister I never had when growing up. You had been in my life for over 60 years and you always showed me kindness and support in what ever road I chose to experience. Your free spirit in travel and knowledge helped form many areas of my life. You became a good friend and confidante to me and my children. I will miss you very much my dear friend.

I know you are in a happier place with all the family that you spoke of and loved and missed every day. Give my brother Roland a big hug for me and my Mom all my love too.

May you have eternal happiness with Our Lord God, Jesus, Mary and Joseph and all the Saints.

Rest in Peace Snookie until we meet again my friend.

Love you,

Jackie

I wish to extend my deepest sympathies to the Ducharme family and Tate family for the loss of their Sister and Aunt Snookie (Sylvia). We have been tied to each other for many years and I know how much Snookie was proud of her family and heritage. God speed his blessings to all of you.

Love from Jackie Guerette

I am so sorry to learn this. Sylvia was a good friend. I loved her kindness, humility, generosity, and loyalty. She was so open-minded and explored the world in so many ways, by travel, through books, and through education. I will miss Sylvia and always hold her in my heart and actions. Heidi
