

Tessa Smith

January 23, 1991 - December 3, 2016

Tessa (Brussard) Smith, 25, of Hudson, died suddenly Saturday, December 3rd at her home.

She was born on January 23, 1991. Tessa was a graduate of Alvirne High School and earned her certification as a Medical Assistant from the Salter School in Massachusetts.

She is survived by her parents, Georgia and Donald Brussard of Hudson, her brother, Michael Brussard Washington, a sister in law, Kelley Massey of Center Barnstable, her grandfather, George Fuller, Jr. of Hudson, her grandmother, Theresa Brussard of Nashua, two nephews, Cullum and Weston Massey, aunts and uncles, Michael and Virginia Fuller of Brentwood, Lynn and Jon Congdon of Georgia, James Fuller of Connecticut, Stephen Brussard of Virginia, as well as several cousins.

Tessa was predeceased by her brother, Jason Massey, her grandmother, Joyce Fuller, her grandfather, Joseph Brussard, and her close friend and cousin, Chelsea Fuller.

Tessa loved to spend time with her family and friends, eagerly anticipated holidays, was a huge Patriots fan who loved watching the games with her dad, and cared deeply about animals, in particular her dog Chloe.

A private burial service will be held in the spring. In lieu of flowers, her family asks that you consider a donation to The Farnum Center, 140 Queen City Ave., Manchester, NH 03103 or the Humane Society for Greater Nashua, 24 Ferry Rd., Nashua, NH 03064. Tessa did not like flowers at funerals and always thought people should “pay it forward.”

“ *My deepest condolences to the family on your loss of Tessa. Being a father of 5 I can't even fathom the hurt and pain that would come with just the loss of one child. I often read the holy scriptures and they can be a source of comfort and perhaps they may give the family a small token of help. If I may just share one. Jesus at the tomb of his close friend Lazarus spoke the touching words mentioned at John 11:25. Hope this may be of help. Once again my thoughts are with the family at this time*

“ I will always remember us singing that song by the beach boys, wouldn't it be nice? And spending all summer together swimming, playing volleyball, eating blackberries and raspberries and arguing over who got the best swing. Love and miss you forever, cousin <3

“ *I am so so sorry for your loss. Tessa was a very caring, loving young lady. She worked very hard turning her life around and becoming a Medical Assistant. She grew up with my daughters as a matter of fact it was a little joke as her birthday is the same day as my oldest daughter Ange so she use to say to me you could never forget me.*

My heart goes out to her family please remember her smiles and all the funny memories you have of her and keep them safe within your heart.
