“Peggy I am so sorry to hear about Uncle Tom. I have so many great memories from our child hood with Auntie Anne and Uncle Tom I remember going to the drive-in to see James Bond, Going to Canobie Lake, Sleepovers at your house, Walking down to the mimi golf course. The barbecue is at your house and swimming in your pool. I miss those days when I think of uncle Tom the first thing that comes to my mind is his train room. My son was so impressed with that. I miss you all. I wish I could have made it today, unfortunately my car is not very reliable and I was afraid to make the drive in the bad weather. Please let auntie know I send my love and I miss her very much. Love you your cousin Elaine

“I enjoyed all the times we would get pizza from Market Basket and watch the baseball games. The Red Sox. I liked hearing how you loved talk about the Boston (now Atlanta) Braves. I know when baseball season starts up again I'll be thinking of you. I'll never forget you.

“ *Peggy and Anne
My heart love and prayer to you both and the
family. Tom was the funniest most loving man.
He was always excited when he showed me his
trians when I was with the family and always
laughing and joking. He will be missed. Rest
easy my friend.*
