“ Malley Family- our thoughts and prayers are with all of you. The last time I saw Mr. Malley, I wasn't sure he would recognize me and I reminded him I was Ava's future mother-in-law. He laughed his gentle laugh and talked about children and how wonderful they are and the joy they bring to your life. As he shared some of his reflections and guidance, it was reiterated the love he had for his family- each one of you were treasured by him. My heart aches for each of you and it is my hope that your memories of him will help you through these sad times and you will always remember the good times, his words and most importantly his love. “ Jean, Kim, Tim, & Chris,
I am so sorry for your loss, no words I can say will fill the void, or take away your sorrow. He meant the world to many,my self included, but you were the whole world to him. Nothing here in this life or the next could compare to how proud of a dad he was about his children or the love he had for his bride. I am sure he will be up there letting every angel know how wonderful of a family he had. I was lucky and thankful to have known him, and his family, and to be welcomed in to his heart as one of his nephews and not some stranger who married his neice and god-daughter. I am going to miss him, but will always chuckle, knowing he GOT-R-DONE.

Hey Uncle Tom!, yeah! you in heaven, Git-R-Done up there! Miss ya buddy!
