“ *I am so sad to hear that Tom is gone. He was a super guy in our Highland neighborhood. Always had a dog treat for all the dogs who wanted one. I can still see him sitting in the garage & encourage my dog to run to him because he had a “ cookie “ for her. Even though I only knew Tom for 8 years he had a way of making you feel like you were an old friend of the family.*

“ *Very very sad to hear of our friend Tom's passing. We shared the same building for our businesses for many years. Tom was a very caring and intelligent person. We got to meet and know two of his children who are wonderful people. He is and will be missed dearly. May you rest in peace knowing you lived a full life and created lives for others. What more can a man ask of himself. Well done. God Bless*
