“ Tom dearly loved his family, they meant everything to him. He will be so sadly missed by all his family, friends and coworkers. He was the most considerate and kind person you would ever meet. Tom got along with everyone, he was so very congenial. Tom had a sharp and logical mind and could figure out how to do anything from working with computers to repairing appliances, cars and plumbing, he could do it all. Tom enjoyed many things, cooking, listening to his favorite music, riding his motorcycle, going to his camper on the lake, fishing and boating. He especially loved playing with his two dogs, Sadie and Maggie. We were not ready for him to go, he was taken from us way too soon. Tom is now in the company of his beloved Grandma and Grandpa, and all the family and friends that have passed before him. Tom, you will always be in our hearts, we have so many happy memories of our time with you, you will never be forgotten. RIP our dear and loving Husband, Father, Grandpa, Son, Brother, Uncle, Cousin and Friend. We love you and miss you, Mom and Dad 💕💕

“ So sad to hear this 😞 Tom and I worked close when I was at Skyworks-he was very good at his job. My equipment went down it was Tom I would call because I knew he would come right in to check out problem and ninety nine percent of the time he was able to fix for me. He was a very good man my condolences to his daughter Stacy and rest of his family 💕💕
