

Tia Mavrogeorge

August 9, 1995 - November 28, 2012

Tia Marie Mavrogeorge, 17, passed away on Wednesday, November 28, 2012 from injuries she sustained in an auto accident.

She was born August 9, 1995 in Nashua, NH daughter of Katherine Mease of Naples, Florida.

Tia graduated high school at the young age of 16. She loved animals, the ocean, and shopping for clothes. When she was a child, she really enjoyed family camping trips.

Tia will be remembered as being very out going and someone who held a deep love for her family. She will be greatly missed by all who knew her.

Besides her loving mother Katherine, survivors include her grandparents Audrey and John Reifel of Seabrook, NH, John and April Mavrogeorge of Bonita Springs, FL, great grandparents Bill and Priscilla Dugan of Litchfield, great grandfather Harry Mavrogeorge of Litchfield, her uncles; Joshua, Jake, David, and Timothy, her aunt; Amy, cousins Lilia, Alyssa, and Savannah, and many second cousins, great aunts and great uncles.

Visiting hours will be held on Sunday December 2, 2012 from 10am-12:30pm with a Prayer Service taking place at 12:30pm in THE DUMONT-SULLIVAN FUNERAL HOME, 50 FERRY ST. IN HUDSON. Following cremation, burial

will take place at a later date. In lieu of flowers, the family encourages donations be made in Tia's loving memory to prevent the cruelty to animals. Please consider a donation to www.aspca.org/Home/Donate

I know we never hung out, but you were really so so sweet. I remember when you just randomly would say hi to me every chance you got when we passed each other in the halls. I just got to thinking about you and how much your missed. Thank you for making my day by just saying one word. I can't believe it's already been 2 years. Rest easy, angel <3

Two years ago today you went to your forever home. Not a day goes by that I don't think of you. I KNOW that your with me in spirit, but I will NEVER stop missing having you here with me..... Oh the laughs and antics we shared....You, me, and our boy Brett....Those were the very best days of my life here on Earth...and they always will be. I would give anything to be able to hear your voice again and turn around to see you standing there waiting for me. Today, I'm going to be a little stronger...for you. Please keep watching over your family and your younger cousins. Until we meet again.....

I love you baby girl....But you know that <3

“ My Dear Sweet Tia,

One year ago today, God took you from us, and to your forever home. You were my world and that world will never be the same without you here. Deep inside my broken heart, I know your happy now and at peace, watching over your family...and your momma who loved you more than life itself. You have no worries, just happiness and peace in your heart.

I would have gladly traded my life for yours, so that you could go to college, have a career, get married, have babies...But that wasn't what He had planned for us. When I think about it, I have in a way, traded my life for yours. I have been chosen to stay here and deal with losing you, so that you can be an Angel~ beautiful and carefree forever. So that you don't have to feel the pain of losing your mom or your best friend. So for now, I will go on and bear this pain...for you, the love of my life and the most beautiful decision I ever made...

Until then, I just pray for, and dream of the day when we can be together. Carefree and full of light and laughter like we used to be when we were here together.

When I look at a beautiful sky I know your there looking right back at me...I feel you there..Your in my heart every minute of every day Tia Marie. I love you more than words can express.

*Love Always,
"Mumma"*

“ You gotta swim
Swim for your life
Swim for the music that saves you
When you're not so sure you'll survive

You gotta swim
And swim when it hurts
The whole world is watching
You haven't come this far
To fall off the Earth

The currents will pull you
Away from your love
Just keep your head above

I found a tidal wave
Begging to tear down the dawn
Memories like bullets
They fired at me from a gun
Cracking the armour, yeah

I swim for brighter days
Despite the absense of sun
Choking on salt water
I'm not giving in
I swim

You gotta swim
Through nights that won't end
Swim for your family, your lovers
Your sisters and brothers and friends

Yeah you gotta swim
For wars without cause
Swim for these lost politicians
Who don't see their greed is a flaw

*The currents will pull us
Away from our love
Just keep your head above*

*I found a tidal wave
Begging to tear down the dawn
Memories like bullets
They fired at me from a gun
Cracking the armour, yeah*

*I swim for brighter days
Despite the absense of sun
Choking on salt water
I'm not giving in
I'm not giving in
I swim*

*You gotta swim
Swim in the dark
There's no shame in driftin'
Feel the tide shifting
And wait for the spark*

*Yeah you gotta swim
Don't let yourself sink
Just find the horizon
I promise you it's not as far as you think*

*The currents will drag us away from our love
Just keep your head above*

*Just keep your head above
Swim*

My Sweet Angel,

Today you would be turning 18. This should be a happy day...we would be flying away to a fun vacation spot to start the tradition we always dreamed of- going away every year for your birthday to an island or country far away to explore the world together.

We always laughed about how despite all the trials and tribulations in life , we would always have each other...we would be old ladies someday, rocking side by side in our old lady chairs and reflecting on our adventures. It breaks my heart to pieces that this time never came for us. I still can't understand why God needed you so early in life....nor may I ever understand.

I feel your presence every time I see a particularly beautiful skyline, or the rainbow that always seems to appear in the distance when I look out from the backyard after the rain. I know your out there watching over us all.....I just wish you were here :(I love you Sweet Angel....Always and Forever.

“ Dearest Kati,

My heart is broken for your loss, I am so profoundly sorry. Words can never express the sorrow and grief adequately. Tia grew up to be so beautiful, like you. I am praying for you and your family, as you go through this unbelievable pain. I remember her sweet little smile, she was always so happy and cute. James and her were like siblings for the short time you lived with George. I lost my precious daughter Cherry October 14, 2011 when she was 31 years old. I know what you are going through. I pray that you will feel Tia's presence all around you, and you will know she is safely home with the Lord. You will see her again after this life is over, God promised.

To Tia's family

I am so sad I have no words to express how my heart aches for not having to hug her. I remember when Tia stayed at my house with my son, She wrote beautiful love letters to him of how much she loved him. Anyone who loves my son I feel that love for them too . Tia I will miss you. My son Adrian is really hurting for your loss Katherine. I feel your heartache. I can not imagine to never see her again except in my memory and in pictures. She was beautiful and kind. Always said "thank you" and "please". I am praying for her spirit to flow in peace and in heaven. I Love you TIA ... I have constant tears as I am writing this condolence.

“ Audrey, John, Kati and family,

My heart is heavy with sadness for all of you. I remember Tia when she was just a toddler and she was the cutest little girl and so happy. She has now become an angel and may you someday find peace with this tragedy. Love to all, Linda Hooper (Mavrogeorge)

Dear Katie, Audrey and John, John and April, Mr and Mrs Dugan, Pop and to all my Nephews and Niece

Mike and I extend our deepest sympathies to all of you in the tragic loss of Tia. She was a beautiful young lady. Though it has been many, many years since I have seen her, I have very fond memories of how she used to light up Mom's eyes when she would come to see her in the years just before her great YiaYia passed away. My mother adored Tia. She always brightened her day when she visited her. She was a sweet girl.

My heart is breaking for you all and each of you are in our prayers.

*Love Melina and Mike Bouley

“ *Tia warmed up every room she was in, with even the briefest of her bright smile or twinkle in her eye. She had a wonderful, youthful curiosity and clearly possessed a keen intellect with speed of thought and witty reposte; most like her mother in so many ways. A fierce, passionate and loyal friend to those she loved, especially to Katherine who fought for her like a lioness. She shall be missed but never forgotten.*

“ Tia was an amazing girl. She knew exactly
how to make anyone smile and brighten their
day. She was always a huge support to me

you were way to young. I will miss Tia dearly and my prayers go out
to her family and friends during this difficult time. Love you Tia and

“ 17 years ago, Audrey & Kati came to my house with the cutest lil thing all wrapped in pink...so precious! She grew up with my second son and graduated with him last June; she was as pretty as a picture! My heart is heavy, for nobody should ever have to lose a child...Kati, Audrey, John, Joshua, Jacob, Amy, David, Timmy, Mr. & Mrs. Dugan, the ENTIRE Mavrogeorge family, and all of Tia's friends...KNOW that she is safe now; in the arms of the angels <3
