“ My thoughts, prayers and most heartfelt condolences go out to Tim's family and love ones.
I met Tim more than 30 years ago through his sister, my friend Jill. He always had a smile on his face, a joke to tell and a ready laugh. I will always remember him as young and smiling.##imported-begin##Maryellen Crowley Bartosh##imported-end##

“ I had the distinct pleasure of hiring and then working with Tim, for nearly 18 years. He quickly became part of the fabric of our little company and was always ready to do what was needed for our customers or our staff.

His warmth and wit persisted through his trials of the past year and that brought great solace to me.

I cannot do justice to this but please know that it was always clear to me that Judy and his family & friends truly lit up Tim's life, and brought him great joy.

Tim will be missed, and remembered, for a long time to come.##imported-begin##Jeff Seeger##imported-end##

“ My deepest condolences to Ms. McCarthy and the Cleary family. I met Tim through his work place, Applied Cad, and always found him honest, intelligent and a pleasure to work with. He challenged me to do better, as I'm sure he did with everyone that knew him.

He will be sorely missed.##imported-begin##Bill Lippitt##imported-end##

“ Dear Meghan, Kacie and Matt: I am deeply saddened by the loss of your dad. I worked with him for over a decade and knew him to be a most-congenial, generous and quick-witted man. He spoke of you often. You may remember that many years ago, you stayed with me a week at my home. I really enjoyed getting to know you all on a personal level. (Was it Meghan or Kacie to whom I gave my Tweetie Bird glass?)

Judy, I am so sorry you have lost your friend. You had wonderful years of shared memories and love. My prayers will be for you and his family and all those who loved Tim. I shall miss him.
