“ Dear John, Christopher, and Nicholas,

We want you to know that we are so very sad and sorry about your loss. Thank you all so much for letting us be included as part of your family at the wake which was such a beautiful, but sad, loving, tribute to Tracey. I also want to thank you for being so loving and considerate and inviting us back to your home after the wake. Tracey has a wonderful family just like she was and always will be remembered. Try to recall and hold dearly in your hearts all the good and loving times you spent together. I know it will be hard, but please know that you are all in our thoughts and prayers.

With love, thoughts, our deepest sympathy, and prayers!
