“ Every person plays a role in a family. Tyler was the entertainer in ours. Family was foremost in his priorities, and he never missed an opportunity to be at a family gathering or to visit just one-on-one. When we think of Tyler, we think of vacations on Squam Lake, our time in Cancun, and all the other times we gathered together. Tyler was loyal and kind and selfless. He never hesitated to include extended family in his circle - the more family members he felt connected to the better. His arms were wide and his smile was broad. Whenever he was with us, he never had an agenda or a selfish motive. Tyler was a giver. When he was surrounded by people he loved and who loved him back, he sunned himself in the moment. We count ourselves blessed to be part of "his" family. This is the legacy he leaves behind. This is the Tyler we know. We will miss him dearly.

Tyler, we are better for knowing you, and we will be there for those suffering from losing you.

You gave unconditional love to us all, and we will do the same in return.

*Love,
Uncle John and Auntie Beth*

“ *Lavoie Family,*

I'm so sorry for your loss. I will always remember Tyler as a hardworking, kind, and enthusiastic young man. I could always count on Tyler having a smile on his face and eager to talk about anything. He was a pleasure to be around. He had the ability to uplift those around him; whether it was the sports themed Santa hats would wear to school in December or how polite he was; he always brought positive energy to the school and those around him. I will always remember him for that.
