“ I haven't seen Vicki since eighth grade (1986), and we didn't have any classes or activities together. Yet, she was one of those rare people that made a lasting impact with her mere presence. That, and her magical smile... that will never fade. I wish her friends and family peace.

“ To my old but good friend, thank you for all the memories I have of us. We had some really good times I will always cherish. You always knew how to put a smile on my face. Even though it's been years since we've seen each other I still remember and you were a big part of my life. I have and still tell stories to my children about my best friend. You will always have a place in my heart. Thank you for touching my life in such a good way. I hope you find eternal peace and happiness. You and your family will be in my prayers. I love you Vicky
