“ I can't believe how much I miss you Mom and I truely can't believe you are really gone. I think of you so many times each day and still wait for my phone to ring each morning with a call from you to see how my night was and what time I am working that day. I love you so much and miss you. All I can hope is that you are now happy and healthy and you are dancing with Dad once again. I love you so much..... Your daughter.##imported-begin##Susan Fanjoy##imported-end##

“ *Dearest Gram,
You were one of the spunkiest woman I have ever met and feel truly blessed to have had the chance to have known you, even though it was a short amount of time you truly impacted my life and will be truly missed! You always said that "Family is the most important thing and If I never had a friend, I'd never be lonely." I will forever remember your words and advice. I will miss our talks and will cherish the moments we shared!
With much love~ Sid##imported-begin##Sidney##imported-end##*

“ You will always be my "favorite" mother in law and I miss you already! You have had a tough few months but now you can relax and enjoy everyone from a different perspective. You were afraid you would miss something but I'm pretty sure you will always be watching. Give hugs to the "Don" for me.##imported-begin##Carrie##imported-end##

“ Gram, my 007 spy from the start. I will always miss cooking with you and watching all of our shows together. You were always there to brighten my day and just be there. I'll miss hearing "shake it baby shake" it and seeing you shimmying. Goodnight, one last time...

Gram, I only knew you for a short time, but during that time we shared many laughs and a mutual love for the Red Sox. It was a joy sharing your company, and it will surely be missed.

Lots of love,
XOXO
