“ We will miss you dearly Walter. Your silly jokes and sending dolphins and loons to us on vacation are simple memories but ones I will cherish. I know you are at peace with your Dad and others who have gone before you. My love and prayers to all the family and friends whose lives he touched. Love, Alison

“ We will miss Walter, the best neighbor possible. Making sure driveways were cleared during storms, to chatting while mowing lawns. And who can forget Walter's Oak tree that dropped thousands of acorns every fall. A one of a kind man, we were blessed to live across the street from. Our thoughts are with the family, we are so sad.
