“ Wally - So many of my greatest childhood memories include the times we all spent together. Endless days at the pond, barnyard baseball and of course terrorizing the countryside on our dirt bikes or snowmobiles (even on horseback). You and Duck were part of our family. Though, as so many do, we went our separate ways in life; I have always had and will always have those memories. Thank you and farewell my childhood friend.

To all of your family and friends, I send my deepest sympathy. May you all find comfort in knowing how much he was loved.##imported-begin##Tim Burke##imported-end##

“ Dearest Judy,
I am so very sorry to hear of Wally's passing at such a young age. And I am so very sorry for the grief this brings you and your family. I wish to tell you that Wally has made a lovely and lasting impression on my life. He was always so joyful and kind ... And so very in love with you. I will never forget how he looked at you so adoringly ... And how he smiled for everyone ... So genuine ... So happy. You and he were such wonderful people to be around throughout my childhood. And I thank you both. I hope you continue to feel his presence throughout your life and that you heal from this in good time. I will keep you all in my thoughts and prayers.

Much Love,

“ Phyllis, Judy and all the kids (young & old),

My thoughts and prayers are with you all. So sorry for your loss. I will not be in town to pay respects this week but will call or stop by in the weeks to come for a long overdue visit. I know I've seen pictures of Wally and my brothers with the horses when they were just boys. I'll search and send any I can find.

“ Ned and I are so sad to hear of your loss. Wally was a dear and close friend to all of us, Burkes and Crowleys, so many years ago. Just hearing his name brings back many fond, and funny, childhood memories; on Robinson Road, at "the pond," even in school. I'll always remember "Budge" with a smile. Our deepest sympathy to Judy and the kids, and everyone in the Bujnowski family. Love, Ned and Teresa###imported-begin###Teresa (Burke) Crowley###imported-end##
