“ *Today I came across a business card for the Sunset Motel with Wanda's name on it and googled her name and saw that she passed away in 2018. My belated sympathy to her family. I was a customer of Wanda who stayed at the Sunset Motel in the 80s and found her to always be friendly, engaging and helpful. She was charming but very capable of appropriately handling overly demanding guests with spunk. She was very kind to me when my VW Rabbit broke down when I was staying there on a weekend and had to wait until Hyannis VW opened on Monday. She let me use her car so that our weekend wasn't a total loss. I always appreciated her generosity and I'm glad to see she had a nice family and a long life. Again, sorry for your loss.*
