“ *Dear Mrs Shook and Brian, I was so sorry to hear about Bill. Brian, I don't know if you realize what a good friend you were to me when I lost my own father. Your gift of being a good listener will be invaluable as the years go by. I am reminded of a quote, " In life two things stand as stone - friendship in another's troubles and courage in your own." I know that your faith will help give you that courage. Please let us know if there is anything we can do to help, even if all we can do is to be a good listener in return, I am still working at the same place but back in the pharmacy section and you can always reach me at home 889-5258. God bless you both, with deepest sympathy Mairi, Chris, Emma, Amy and Cameron Steed##imported-begin##Mairi Steed##imported-end##*
