“ Thoughts and prayers to the family. Bonnie was an amazing lady, who will be missed by all. I remember her always making sure the families of the soldiers and the soldiers were taken care of. She had a special love for the NH National Guard, B Battery. From making sure her 2 favorite soldiers had their Buckeyes and Fudgeto making sure they received care packages during deployments. Supporting their returns from deployment. Rest easy Bonnie.

“ I met Bonnie through the Nashua Elks and the Nashua Emblem. My fondest memory is going to Supreme Convention with her at Valley Forge. Four of us decided to take a train to Philly for the day and do some sightseeing. It was a great day full of laughs and memories but the best part was the train ride home. Bonnie and Annette were reading the map to see which train we needed to be on. Some how we ended up on the wrong train and didn't realize it until we were halfway through the ride. We finally got off and on to the right train. Long story not so short - they were reading the map upside down. We laughed about that for quite sometime. My mom and I still joke about it. Whenever I go to Pennsylvania I will think of Bonnie and smile.

“ I met Bonnie years ago thru the Nashua Emblem Club and the Nashua Elks Lodge. Every-time I set up for a function I ask myself “what is Bonnie going to say”. I think we all do. She has left her mark on so many of us and will truly be missed. To all, remember this, always two napkins, one is for dessert. May you Rest in Peace Bonnie.

“ Bonnie was truly a one-of-kind friend. She was smart, talkative, opinionated (and she had so much to share on any topic), funny, and one of the most caring people we have ever known. We were so lucky to have the memories of the times we had with her.

“ Bonnie was the most giving person we ever met. She supported our military tirelessly. We had many good times with her around our campfire. She had many stories but her greatest joy was her daughter, son-in-law and her grandchildren . We will miss her. You are all in our thoughts and prayers.
